

**Serving the
areas of
Gunthorpe,
Paston and
Walton in
Peterborough.**

All Saints Church, Paston have commissioned a Pastoral Care Visiting team who visit people within their homes, offering friendship. There are times when an individual may need companionship due to difficulties being experienced – being housebound; bereaved; caring for someone; lonely and isolated, for example.

The Pastoral Care Visiting Team offers that companionship through a scheme of monthly visiting available to all who live in the areas of Gunthorpe, Paston and Walton.

We take self-referrals, or referrals from an agency or next of kin. Contact needs to be made to the Pastoral Visiting Co-ordinator, Yvonne Griffin on: **07423638947**, who will then arrange a visit to check that the scheme is appropriate, and information taken.

All our Pastoral Care Visitors have been DBS checked; and completed safeguarding training within the Diocese of Peterborough. Our visitors carry photo ID cards.
